

Peer review item	Peer group response
Group reviewing	Inception
Group being reviewed	Power Ranger
Prototype tool used	HTML/CSS/JAVA
What part of the prototype was tested?	Welcome screen /how to play
One strength	Animation on welcoming page is nice
One issue or problem	Preview is more like mobile and not cognitive walk through
One improvement suggestion	Make games covers whole display
Was the cyber-safety lesson clear?	Yes / No + explanation Game is not developed yet
Was the prototype suitable for the target audience?	Yes / No + explanation Yes, but not looking nice
Action the group should take next	Make welcoming page more welcoming
