

Why this matters

From next week, you will start focusing on your individual report. If your evidence is messy now, your report will be weak. This week you must organise evidence clearly so that each student can refer to it in their own portfolio.

Appendix item	Evidence type	GitHub location	Who will use it in report?	Appendix number
Team meeting minutes	Meeting evidence	Week-3/Development-Testing/meeting-06-minutes.md	Sujal Pathak	Appendix 1.1 / 1.2 / etc.
Game concept canvas	Design evidence	DAY 2/Concept Development/Game concept canvas	Prajwal Shahi	Appendix 2.1
Storyboard	Design evidence	DAY 2/Concept Development/storyboards.pptx	Shalu Tamang	Appendix 2.2
Prototype screenshots	Development evidence	Week-4-Final-Game-Completion/final-prototype-screenshots.docx	Ashika Rai	Appendix 3.1
Testing record	Testing/iteration evidence	Week-3/Development-Testing/testing-results.md, .docx	Amrit Sharma	Appendix 3.2
Peer/tutor feedback	Feedback evidence	week-2-Prototype-start/prototype-peers-review-week2.md.docx	Prajwal Shahi	Appendix 4.1
Individual contribution log	Personal contribution evidence	Week-4-Final-Game-Completion/individual work	Amrit Sharma	Appendix 5.1
AI use log	Ethics/AI evidence	week-2-Prototype-start/Ai use - log.md.docx	Manish Thapa	Appendix 6.1
